

Chuck Canham's Firearm Classes

After completing the basic firearms safety requirements, many want additional hands-on training. Regardless of whether you are an experienced shooter, or have never touched a gun before, I offer a class that will meet your needs!

Three Classes:

- Beginner
- Intermediate
- Advanced

Specialized Courses:

- How to find the right Firearm for your needs
- Women only classes
- Tactics for carrying and drawing your firearm
- Secrets to trigger control, rapid fire, and night firing
- Secrets to Point shooting and Instinctive shooting
- Secrets to strong hand and weak hand shooting
- Secrets to fast, controlled reloading

Private one-on-one lessons start at \$40 per hour!

I have more than twenty five years of Firearm experience in Law Enforcement, Military, FBI and Civilian training. I have advanced training certifications with the NRA and Law Enforcement. I did all the accuracy shooting for Kimber 45's. I have worked as a Firearm consultant in the movie and gun industry. I have competed nationally and internationally, winning hundreds of trophies and gold medals in the Police Olympics. I also co-authored 2 books on Firearms.

Call and register today, for your Gun Safety Class!
